

INDEPENDENT AUDITOR'S REPORT

To the Members of International Tobacco Company Limited

Report on the Audit of the Ind AS Financial Statements

Opinion

We have audited the accompanying Ind AS financial statements of International Tobacco Company Limited ("the Company"), which comprise the Balance sheet as at March 31 2022, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date

Basis for Opinion

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Ind AS Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind AS financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the Ind AS financial statements and our auditor's report thereon.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- ▶ Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ▶ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- ▶ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- ▶ Conclude on the appropriateness of management's use of the going concern basis of accounting

and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid Ind AS financial statements comply with the [Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - (e) On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act;
 - (f) With respect to the adequacy of the internal financial controls with reference to these Ind AS financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2" to this report;
 - (g) In our opinion, the managerial remuneration for the year ended March 31, 2022 has been paid / provided by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act;

(h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its Ind AS financial statements - Refer Note 28 to the Ind AS financial statements;
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

c) Based on such audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- v. No dividend has been declared or paid during the year by the Company.

Annexure '1' referred to in paragraph under the heading "Report on other legal and regulatory requirements" of our report of even date

Re: International Tobacco Company Limited ("the Company")

In terms of the information and explanations sought by us and given by the company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

- (i) (a)(A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
- (a)(B) The Company has not capitalized any intangible assets in the books of the Company and accordingly, the requirement to report on clause 3(i)(a)(B) of the Order is not applicable to the Company.
- (b) All Property, Plant and Equipment were physically verified by the management in the financial year 2019-20 in accordance with a planned programme of verifying them once in three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) The title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) are held in the name of the Company.
- (d) The Company has not revalued its Property, Plant and Equipment (including Right of use assets) or intangible assets during the year ended March 31, 2022.
- (e) There are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) (a) The inventory has been physically verified by the management during the year. In our opinion, the frequency of verification by the management is reasonable and the coverage and procedure for such verification is appropriate. Discrepancies of 10% or more in aggregate for each class of inventory were not noticed in respect of such verifications. There was no inventory lying with third parties.
- (b) The Company has not been sanctioned working capital limits in excess of Rs. five crores in aggregate from banks or financial institutions during any point of time of the year on the basis of security of current assets. Accordingly, the requirement to report on clause 3(ii)(b) of the Order is not applicable to the Company.
- (iii) During the year the Company has not provided loans, advances in the nature of loans, stood guarantee or provided security to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii) of the Order is not applicable to the Company.
- (iv) In our opinion and according to the information and explanations given to us, provisions of section 186 of the Companies Act, 2013 in respect of investments made have been complied with by the Company. In our opinion and according to information and explanations given to us, there are no

loans, guarantees and securities granted in respect of which provisions of section 185 and 186 of Companies Act, 2013 are applicable and hence not commented upon.

- (v) The Company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Companies Act and the rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause 3(v) of the Order is not applicable to the Company.
- (vi) The Company is not in the business of sale of any goods or provision of such services as prescribed. Accordingly, the requirement to report on clause 3(vi) of the Order is not applicable to the Company.
- (vii) (a) The Company is generally regular in depositing with appropriate authorities undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, duty of customs, duty of excise, cess and other statutory dues applicable to it. According to the information and explanations given to us and based on audit procedures performed by us, no undisputed amounts payable in respect of these statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us, the outstanding dues on account of excise duty and income tax which have not been deposited on account of any disputes are as follows-

Nature of the statute	Nature of the dues	Amount of dues* (Rs. lakhs)	Amount deposited (Rs. lakhs)	Period to which the amount relates	From where dispute Is Pending
Central Excise Act, 1944	Excise duty	1,366.56	1.16	FY 2006-07 to FY 2009-10	Supreme Court
		626.59	31.58	FY 2011-12 to FY 2017-18	CESTAT
Goods and Service Tax, 2017	Goods and Service Tax	552.22	-	FY 2019-20	Addl. Comm. (Appeals)
		307.79	-	FY 2020-21	
Income-tax Act, 1961	Income tax	47.56	47.56	FY 2011-12	Income Tax Appellate Tribunal
		115.31	115.31	FY 2010-11, FY 2012-13 to FY 2013-14 and FY 2015-16 to FY 2017-18	Commissioner (Appeals)
		2.97	2.97	FY 2005-06	Assessing Officer

*Includes interest and Penalty wherever the amount indicated in the order.

Further, the concerned authority is in appeal against favourable orders received by the Company in respect of the following matters:

Name of the statute	Nature	Amount (Rs. Lakhs)	Period to which the amount relates	Forum where department has preferred appeal
Central Excise Act, 1944	Excise Duty	121.52	FY 2010-11	Customs Excise and Service Tax Appellate Tribunal
Income Tax Act, 1961	Income Tax	5.36	FY 2003-04	Income Tax Appellate Tribunal

- (viii) The Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.
- (ix) (a) The Company did not have any outstanding loans or borrowings or interest thereon due to any lender during the year. Accordingly, the requirement to report on clause ix(a) of the Order is not applicable to the Company.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) The Company did not have any term loans outstanding during the year hence, the requirement to report on clause (ix)(c) of the Order is not applicable to the Company.
- (d) The Company did not raise any funds during the year hence, the requirement to report on clause (ix)(d) of the Order is not applicable to the Company.
- (e) The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on clause 3(ix)(e) of the Order is not applicable to the Company.
- (f) The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on Clause 3(ix)(f) of the Order is not applicable to the Company.
- (x) (a) The Company has not raised any money during the year by way of initial public offer / further public offer (including debt instruments) hence, the requirement to report on clause 3(x)(a) of the Order is not applicable to the Company.
- (b) The Company has not made any preferential allotment or private placement of shares /fully or partially or optionally convertible debentures during the year under audit and hence, the requirement to report on clause 3(x)(b) of the Order is not applicable to the Company.
- (xi) (a) No fraud by the Company or no fraud on the Company has been noticed or reported during the year.
- (b) During the year, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed by secretarial auditor or by us in Form ADT - 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.

- (xii) The Company is not a nidhi Company as per the provisions of the Companies Act, 2013. Therefore, the requirement to report on clause 3(xii) of the Order is not applicable to the Company.
- (xiii) Transactions with the related parties are in compliance with sections 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards. The provisions of section 177 are not applicable to the Company and accordingly the requirements to report under clause 3(xiii) of the Order insofar as it relates to section 177 of the Act is not applicable to the Company.
- (xiv) (a) The Company has an internal audit system commensurate with the size and nature of its business.
- (b) The internal audit reports of the Company issued till the date of the audit report, for the period under audit have been considered by us.
- (xv) The Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence requirement to report on clause 3(xv) of the Order is not applicable to the Company.
- (xvi) (a) The provisions of section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934) are not applicable to the Company. Accordingly, the requirement to report on clause (xvi)(a) of the Order is not applicable to the Company.
- (b) The Company has not conducted any Non-Banking Financial or Housing Finance activities without obtained a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.
- (c) The Company is not a Core Investment Company as defined in the regulations made by Reserve Bank of India. Accordingly, the requirement to report on clause 3(xvi) of the Order is not applicable to the Company.
- (d) There is no Core Investment Company as a part of the Group, hence, the requirement to report on clause 3(xvi) of the Order is not applicable to the Company.
- (xvii) The Company has not incurred cash losses in the current year and in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year and accordingly requirement to report on Clause 3(xviii) of the Order is not applicable to the Company.
- (xix) On the basis of the financial ratios disclosed in note 35 to the financial statements, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

Annexure 2 referred to in para 2(f) under the heading "Reporting on Other Legal and Regulatory Requirements" to the Independent Auditor's Report of even date on the Ind AS financial statements of International Tobacco Company Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to Ind AS financial statements of International Tobacco Company Limited ("the Company") as of March 31, 2022 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to these Ind AS financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these Ind AS financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to these Ind AS financial statements and their operating effectiveness. Our audit of internal financial controls with reference to Ind AS financial statements included obtaining an understanding of internal financial controls with reference to these Ind AS financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to these Ind AS financial statements.

Meaning of Internal Financial Controls With Reference to these Ind AS Financial Statements

A company's internal financial controls with reference to Ind AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted

accounting principles. A company's internal financial controls with reference to Ind AS financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls With Reference to Ind AS Financial Statements

Because of the inherent limitations of internal financial controls with reference to Ind AS financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Ind AS financial statements to future periods are subject to the risk that the internal financial control with reference to Ind AS financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to Ind AS financial statements and such internal financial controls with reference to Ind AS financial statements were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

INTERNATIONAL TOBACCO COMPANY LIMITED

Notes to the financial statements for the year ended March 31, 2022

(All amounts are in Rs. lakhs unless otherwise stated)

1. Corporate information

International Tobacco Company Limited ('the Company') is a public limited company incorporated in India. The Company is engaged in manufacturing of tobacco and tobacco products on behalf of holding company.

The address of its registered office is Macropolo Building, Ground Floor, Dr. Babasaheb Ambedkar Road, Lalbaug, Mumbai - 400033 and the address of its corporate office is Omaxe Square, Plot No 14, Jasola District Centre, Jasola, New Delhi - 110025.

The financial statements were approved by the Board of Directors on May 20, 2022.

2. Statement of compliance

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015.

The financial statements are presented in rupees and all values are rounded to the nearest lakhs except when otherwise indicated.

3. Basis of preparation and presentation

3.1. Basis of preparation and presentation

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair value at the end of each reporting period, as explained in the accounting policies mentioned below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

3.2. Use of estimates

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires the management of the Company to make estimates and assumptions that affect the reported balance of assets and liabilities, revenues and expenses and disclosures relating to contingent assets and contingent liabilities.

The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results may differ from these estimates. Any revision to the accounting estimates or difference between the estimates and the actual results are recognised in the periods in which the results are known/materialise or the estimates are revised and future periods affected.

4. Significant accounting policies

4.1. Revenue recognition

4.1.1. Manufacturing fees (Revenue from contracts with customers)

The Company's revenue from contracts with customers comprises of manufacturing fees from the holding company. Revenue from manufacturing fees is recognised when control of the goods is transferred to the customers which usually is at the time of production of cigarettes. Revenue is recognised basis the quantum of cased production of cigarettes.

The Company does not expect to have any contracts where the period between the transfer of the promised goods or services to the customer and payment by the customer exceeds one year. As a consequence, the Company does not adjust any of the transaction prices for the time value of money.

4.1.2. Dividend and interest income

Dividend income from investments is recognised when the shareholder's right to receive payment has been established provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

INTERNATIONAL TOBACCO COMPANY LIMITED

Notes to the financial statements for the year ended March 31, 2022

(All amounts are in Rs. lakhs unless otherwise stated)

4.2. Leases

Company as a lessor

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

4.2.1. Operating lease

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor, are recognised as operating lease. Operating lease payments are recognised on a straight line basis over the lease term in the statement of profit and loss.

4.2.2. Finance lease

A lease that transfers substantially all the risks and rewards incidental to ownership to the Company is classified as a finance lease. Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

4.2.3. Company as a lessee

At the date of commencement of the lease, the Company recognises a right-of-use-asset ("ROU") and a corresponding lease liabilities for all the lease arrangements in which it is a lessee, except for the leases with a term of 12 months or less (short term leases) and the leases of low value assets. For these short term and leases of low value assets, the Company recognises the lease payments as an operating expense on accrual basis.

i) Right of use asset

The Company recognises right-of-use asset at the commencement date of the lease (i.e., the date the underlying asset is available for use). The ROU assets are initially recognised at cost, which comprise of the initial amount of the lease liabilities adjusted for any payment made at or prior to the commencement date of the lease plus any initial direct cost less any lease incentive. They are subsequently measured at cost less accumulated depreciation and impairment losses, if any. The ROU asset are depreciated on a straight line basis over the shorter of the lease term and the estimated useful life of the underlying asset, as follows:

Land: 56 to 99 years

The right-of-use asset are also subject to impairment. Refer to the accounting policies in section 4.7. Impairment of non-financial assets.

ROU asset have been separately presented in the Balance Sheet.

ii) Lease liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees.

In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

4.3. Foreign currencies

4.3.1. Functional and presentational currency

The Company's financial statements are presented in Indian rupees (INR), which is also the Company's functional currency. Functional currency is the currency of the primary economic environment in which an entity operates and is normally the currency in which the entity primarily generates and expends cash.

4.3.2. Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit or loss. They are deferred in equity if they relate to qualifying cash flow hedges.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in other comprehensive income or profit or loss are also recognised in other comprehensive income or profit or loss, respectively).

INTERNATIONAL TOBACCO COMPANY LIMITED

Notes to the financial statements for the year ended March 31, 2022

(All amounts are in Rs. lakhs unless otherwise stated)

4.4. Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

4.4.1. Current tax

Current tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the reporting date and includes any adjustment to tax payable in respect of previous year.

4.4.2. Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profits.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

4.5. Employee benefits

4.5.1. Short term employee benefits

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

4.5.2. Long term employee benefits

Long term employee benefits include compensated absences. The Company has a policy on compensated absences which are both accumulating and non-accumulating in nature. The expected cost of accumulating compensated absences is determined by actuarial valuation performed by an independent actuary at each balance sheet date using projected unit credit method on the additional amount expected to be paid/availed as a result of the unused entitlement that has accumulated at the balance sheet date. Expense on non-accumulating compensated absences is recognized in the period in which the absences occur.

4.5.3. Defined contribution plan

Provident fund, superannuation fund and employee's state insurance are the defined contribution schemes offered by the Company. The contributions to these schemes are charged to the statement of profit and loss of the year in which contribution to such schemes becomes due on the basis of services rendered by the employees.

4.5.4. Defined benefit plan

Gratuity liability is provided on the basis of an actuarial valuation made at the end of each financial year as per projected unit credit method.

Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through other comprehensive income in the period in which they occur. Re-measurements are not reclassified to profit or loss in subsequent periods.

4.5.5. Termination benefits

Termination benefit is recognised as an expense at earlier of when the Company can no longer withdraw the offer of termination benefit and when the expense is incurred.

INTERNATIONAL TOBACCO COMPANY LIMITED

Notes to the financial statements for the year ended March 31, 2022

(All amounts are in Rs. lakhs unless otherwise stated)

4.6. Property, plant and equipment

4.6.1. Recognition and Measurement

Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation and any recognised impairment losses, and include Interest on loans attributable to the acquisition of qualifying assets upto the date they are ready for their intended use. Freehold land is measured at cost and is not depreciated.

4.6.2. Capital work in progress

Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use.

4.6.3. Depreciation

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on tangible fixed assets (other than free hold land and properties under construction) is recognised on straight-line method, taking into account their nature, their estimated usage, their operating conditions, past history of their replacement and maintenance support etc.

Estimated useful lives of the assets based on technical estimates are as under:

Buildings	30 - 60 years
Plant and machinery	7.5 - 15 years
Electrical installation and equipments	10 years
Computers and information technology equipments	3 - 6 years
Furniture, fixtures and office equipments	5 - 10 years
Motor vehicles	8 years

The useful lives estimated above are equal to those indicated in Schedule II of the Companies Act, 2013.

Freehold land is not depreciated.

The ROU asset are depreciated on a straight line basis over the shorter of the lease term and the estimated useful life of the underlying asset.(Refer note no. 4.2.3).

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sale proceeds and the carrying amount of the asset and is recognised in profit or loss.

4.7. Impairment of non-financial assets

The management periodically assesses whether there is any indication that an asset may have been impaired. If any such indication exists, the recoverable amount is estimated in order to determine the extent of impairment loss (if any). An impairment loss is recognized wherever the carrying value of an asset exceeds its recoverable amount. Recoverable amount is higher of an asset's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of the useful life.

Impairment losses recognized in prior years are reversed when there is an indication that the impairment losses recognized earlier no longer exist or have decreased. Such reversals are recognized as an increase in the carrying amount of the asset to the extent that does not exceed the carrying amounts that would have been determined (net of depreciation) had no impairment loss been recognized in prior years.

4.8. Inventories

Inventories are stated at lower of cost and net realisable value. The cost of stores and spares is determined on moving weighted average cost basis.

Net realisable value is the estimated selling price for inventories in the ordinary course of business, less all estimated costs of completion and costs necessary to make the sale.

INTERNATIONAL TOBACCO COMPANY LIMITED

Notes to the financial statements for the year ended March 31, 2022

(All amounts are in Rs. lakhs unless otherwise stated)

4.9. Provisions and contingencies

4.9.1. Provisions

Provisions are recognised when the Company has a present obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When the effect of time value is material, the amount is determined by discounting the expected future cash flows.

4.9.2. Contingent liabilities

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

4.10. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

4.10.1. Financial assets

4.10.1.1. Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e. the date that the Company commits to purchase or sell the asset.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

4.10.1.2. Classification of financial assets

Classification of financial assets depends on the nature and purpose of the financial assets and is determined at the time of initial recognition. The Company classifies its financial assets in the following measurement categories:

- ▶ those measured at amortized cost,
- ▶ those to be measured subsequently at fair value, either through other comprehensive income (FVTOCI) or through profit or loss (FVTPL)

Financial assets at amortised cost:

A financial assets is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

Financial assets at FVTOCI:

A financial asset is classified as at the FVTOCI if both of the following criteria are met unless the asset is designated at fair value through profit or loss under fair value option.

- (a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial asset, and
- (b) The asset's contractual cash flows represent SPPI.

Financial assets at FVTPL:

FVTPL is a residual category for financial assets. Any asset, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

INTERNATIONAL TOBACCO COMPANY LIMITED

Notes to the financial statements for the year ended March 31, 2022

(All amounts are in Rs. lakhs unless otherwise stated)

4.10.1.3. Investments in equity instruments at FVTOCI

On initial recognition, the Company can make an irrevocable election (on an instrument-by-instrument basis) to present the subsequent changes in the fair value in other comprehensive income pertaining to investments in equity instruments. This election is not permitted if the equity investment is held for trading. These elected investments are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the 'Reserve for equity instruments through other comprehensive income'. The cumulative gain or loss is not reclassified to profit or loss on disposal of the investments.

A financial asset is held for trading if:

- ▶ it has been acquired principally for the purpose of selling it in the near term; or
- ▶ on initial recognition it is part of a portfolio of identified financial instruments that the Company manages together and has an recent actual pattern of short-term profit-taking; or
- ▶ it is a derivative that is not designated and effective as a hedging instrument or a financial guarantee.

The Company has equity investment in one entity which is not held for trading. The Company has elected the FVTOCI irrevocable option for this investment (Refer Note no. 7). Fair value is determined in the manner described in Note no. 32.

Dividend on above investment in equity instruments is recognised in profit or loss when the Company's right to receive the dividend is established, it is probable that the economic benefits associated with the dividend will flow to the Company, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably.

4.10.1.4. Derecognition

A financial asset is primarily derecognised when:

- ▶ The rights to receive cash flows from the asset have expired, or
- ▶ The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

4.10.1.5. Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits and bank balance.
- b) Any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 18.

The Company believes that, considering their nature of business and past history, the expected credit loss in relation to its financial assets is non-existent or grossly immaterial. Thus, the Company has not recognised any provision for expected credit loss. The Company reviews this policy annually, if required.

4.10.2. Financial liabilities

4.10.2.1. Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss or payables, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of payables, net of directly attributable transaction costs.

The Company's financial liabilities include other payables.

4.10.2.2. Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss (FVTPL)

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied.

Financial liabilities at amortised cost

After initial recognition, interest-bearing loans and borrowings, lease liabilities and trade and other payables are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

INTERNATIONAL TOBACCO COMPANY LIMITED

Notes to the financial statements for the year ended March 31, 2022

(All amounts are in Rs. lakhs unless otherwise stated)

4.10.2.3. Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

4.11. Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

4.12. Cash and cash equivalents

Cash and cash equivalents comprises of cash on hand and at banks, short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

For the purpose of the Statement of Cash Flows, Cash & Cash Equivalents consists of Cash and Short term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the company's cash management.

4.13. Earnings per share (EPS)

Basic earnings per share has been computed by dividing the profit/(loss) after tax by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share has been computed by dividing the profit/(loss) after tax by the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

4.14. Fair value measurement

The Company measures financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- ▶ In the principal market for the asset or liability, or
- ▶ In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- ▶ Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- ▶ Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- ▶ Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

INTERNATIONAL TOBACCO COMPANY LIMITED

Notes to the financial statements for the year ended March 31, 2022

(All amounts are in Rs. lakhs unless otherwise stated)

4.15. Application of new Standards and amendments

(A) The Company has adopted, with effect from April 01, 2021, the following new and revised standards. Their adoption has not had any significant impact on the amounts reported in the financial statements.

1. Amendment to Ind AS 103 - Business Combination, regarding definition of identifiable assets acquired and liabilities assumed to qualify for recognition as part of applying the acquisition method;
2. Amendments to Ind AS 107 - Financial Instruments: Disclosures, 109 - Financial Instruments, 104 - Insurance Contracts and 116 - Leases, regarding Interest Rate Benchmark Reform - Phase - 2;
3. Conceptual framework for financial reporting under Ind AS issued by the ICAI;
4. Amendment to Ind AS 116 - Leases, regarding COVID-19 related rent concessions;
5. Amendments to Ind AS 105 - Non Current Assets Held For Sale and Discontinued Operations, 16 - Property, Plant and Equipment and 28 - Investments in Associates and Joint Ventures, regarding definition of recoverable amount.

(B) Standards issued but not yet effective

The Ministry of Corporate Affairs has notified Companies (Indian Accounting Standard) Amendment Rules 2022 dated 23 March 2022, effective from 01 April 2022, resulting in amendments such as :-

1. Amendment to Ind AS 37 - Provisions, Contingent Liabilities and Contingent Assets, regarding onerous contracts-costs of fulfilling a contract
2. Amendment to Ind AS 16 - Property, Plant and Equipment, regarding proceeds before intended use
3. Amendment to Ind AS 101 - First-time Adoption of Indian Accounting Standards, regarding subsidiary as a first-time adopter
4. Amendment to Ind AS 109 - Financial Instruments, regarding fees in the '10 per cent ' test for derecognition of financial liabilities
5. Amendment to Ind AS 41 - Agriculture, regarding taxation in fair value measurements.

These amendments are not expected to have any impact on the Company. The Company has not early adopted any amendments that have been notified but are not yet effective.

INTERNATIONAL TOBACCO COMPANY LIMITED

Notes to the financial statements for the year ended March 31, 2022

(All amounts are in Rs. lakhs unless otherwise stated)

5. Significant accounting judgements, estimates and assumptions

The preparation of the financial statements requires management of the Company to make judgements, estimates and assumptions that effect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods

Judgements and estimates

In the process of applying the accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the financial statements:

a) Fair value measurement of financial instruments

Some of the Company's assets and liabilities are measured at fair value for financial reporting purposes. In estimating the fair value of an asset or a liability, the Company uses market-observable data to the extent it is available. Where Level 1 inputs are not available, the Company engages third party qualified valuer to perform the valuation. The management of the Company works closely with the qualified external valuers to establish the appropriate valuation techniques and inputs to the model.

Information about the valuation technique and inputs used in determining the fair value of assets and liabilities are disclosed in Note no. 32.

b) Provisions and contingent liabilities

The Company has ongoing litigations with various regulatory authorities and others. Where an outflow of funds is believed to be probable and a reliable estimate of the outcome of the dispute can be made based on management's assessment of specific circumstances of each dispute and relevant external advice, management provides for its best estimate of the liability.

Where it is management's assessment that the outcome cannot be reliably quantified or is uncertain, the claims are disclosed as contingent liabilities unless the likelihood of an adverse outcome is remote. Such liabilities are disclosed in the notes but are not provided for in the financial statements. When considering the classification of legal or tax cases as probable, possible or remote, there is judgement involved. Management uses in-house and external legal professionals to make informed decision. These are set out in Note no. 28.

Notes to the financial statements for the year ended March 31, 2022

(All amounts are in Rs. lakhs unless otherwise stated)

10 Income taxes

The major component of income tax expense are:

Income tax expense in the statement of profit and loss comprises:

	Year ended 31.03.2022	Year ended 31.03.2021
Current income tax		
In respect of the current year	7.26	19.55
In respect of prior year	(29.75)	-
	(22.49)	19.55
Deferred tax		
In respect of the current year	23.42	51.80
	23.42	54.80
Total income tax expense recognised in the statement of profit and loss	0.93	74.35
Effective tax rate	0.65%	25.71%

The income tax expense for the year can be reconciled to the accounting profit as follows:

	Year ended 31.03.2022	Year ended 31.03.2021
Profit before tax	143.25	289.22
Income tax expense calculated at corporate tax rate of 25.168% (Previous year 25.168%)	36.05	72.79
Effect of expenses that are not deductible in determining taxable profit	(5.37)	1.56
Effect of change in income tax expense related to prior years	(29.75)	-
Income tax expenses recognised in statement of profit and loss	0.93	74.35

The tax rate used for the current year reconciliation above is the corporate tax rate of 25.168% (Previous year 25.168%) payable by corporate entities in India on taxable profits under the Indian tax laws.

Movement in deferred tax assets and liabilities during the year are as follows:

	Opening Balance	Recognised in profit or loss	Recognised in other comprehensive income	Closing Balance
For the year ended March 31, 2021

Foreign currency fluctuation (net)	0.34	0.76
Housekeeping expenses	36.21	33.53
Advance/claims written off	3.00	0.07
Miscellaneous expenses	56.03	75.49
	3194.83	2885.55

*Excludes consumption of spare parts charged to 'repairs and maintenance-plant & machinery'.

INTERNATIONAL TOBACCO COMPANY LIMITED

Notes to the financial statements for the year ended March 31, 2022

(All amounts are in Rs. lakhs unless otherwise stated)

	Year ended 31.03.2022	Year ended 31.03.2021
--	--------------------------	--------------------------

27. Earnings per share

Profit for the year attributable to owners of the Company [A]	142.32	214.87
Weighted average number of equity shares for the purpose of basic earning per share and diluted earning per share [B]	3,00,000	3,00,000
Basic and diluted earnings per share (Rs.) [A/B] (Face value of Rs. 100 each)	47.44	71.62

INTERNATIONAL TOBACCO COMPANY LIMITED

Notes to the financial statements for the year ended March 31, 2022

(All amounts are in Rs. lakhs unless otherwise stated)

28. Contingent liabilities not provided for

a) Demands from income tax authorities disputed by the Company aggregating to Rs.162.87 lakhs (Previous year Rs.136.77 lakhs).

b) The Company has received demands notices relating to excise duty and GST aggregating to Rs.2853.16 lakhs (Previous year - Rs.2187.54 lakhs), which the Company is contesting before the appellate authorities. Further, the Company has received certain show cause notices from Excise Authorities asking it to explain why certain amounts mentioned in these notices should not be paid by the Company. As these notices are in the nature of explanations required, the Company does not consider these to constitute a liability of any kind. The liability, if any, on this account, will rest with the holding company under the contract manufacturing arrangement.

c) Claims against the Company not acknowledged as debts Rs. 1.37 lakhs (Previous year - Rs. 1.37 lakhs).

d) The following are the particulars of dues on account of excise duty, goods and service tax and income-tax as at March 31, 2022 that have been disputed by the Company in appeals pending before the appellate authorities:

Nature of the statute	Nature of the dues	Amount of dues* (Rs. lakhs)	Amount deposited (Rs. lakhs)	Period to which the amount relates	Forum where dispute is pending
Central Excise Act, 1944	Excise duty	1,366.56	1.16	FY 2006-07 to FY 2009-10	Supreme Court
		626.59	31.58	FY 2011-12 to FY 2017-18	CESTAT
Goods and Service Tax, 2017	Goods and Service Tax	552.22	-	FY 2019-20	Addl. Comm. (Appeals)
		307.79	-	FY 2020-21	
Income-tax Act, 1961	Income tax	47.56	47.56	FY 2011-12	Income Tax Appellate Tribunal
		115.31	115.31	FY 2010-11, FY 2012-13, FY 2013-14 and FY 2015-16 to FY 2017-18	Commissioner (Appeals)
		2.97	2.97	FY 2005-06	Assessing Officer

* amount as per demand orders, including interest and penalty, where quantified in the order.

Further, as per information available with the Company, the concerned authority is in appeal against favourable orders received by the Company in respect of the following matters:

Name of the statute	Nature	Amount (Rs. lakhs)	Period to which the amount relates	Forum where department has preferred appeal
Central Excise Act, 1944	Excise Duty	121.52	FY 2010-11	Customs Excise and Service Tax Appellate Tribunal
Income Tax Act, 1961	Income tax	5.36	FY 2003-04	Income Tax Appellate Tribunal

The management believes that the liabilities in the above matters are possible but not probable and hence no provision has been considered necessary there against.

INTERNATIONAL TOBACCO COMPANY LIMITED

Notes to the financial statements for the year ended March 31, 2022

(All amounts are in Rs. lakhs unless otherwise stated)

	As at 31.03.2022	As at 31.03.2021
--	---------------------	---------------------

29. Commitments

- a) The estimated amount of contracts remaining to be executed on capital amount and not provided for (net of advances) 3.62 1.74
- b) The Company does not have any other long term contracts including derivative contracts for which there will be any material foreseeable losses.

30. Dues to micro and small enterprises

Trade payables include Rs.39.49 lakhs (Previous year Rs.100.94 lakhs) due to micro, small and medium enterprises as defined in the "The Micro, Small and Medium Enterprises Development Act, 2006" ("MSMED") to the extent such parties have been identified on the basis of information available with the Company. No interest is payable to any supplier under the said Act.

Information as required to be furnished as per section 22 of the Micro, Small and Medium Enterprises Development Act, 2006 (MSMED Act) for the year ended March 31, 2022 is given below. This information has been determined to the extent such parties have been identified on the basis of information available with the Company.

- i) Principal amount and interest due thereon remaining unpaid to any supplier covered under MSMED Act, 2006

Principal	39.49	100.94
Interest	-	-

- ii) The amount of interest paid by the buyer in terms of section 16, of the MSMED Act along with the amounts of the payment made to the supplier beyond the appointed day during each accounting year.

- iii) The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under MSEMD Act.

- iv) The amount of interest accrued and remaining unpaid at the end of each accounting year.

- v) The amount of further interest remaining due and payable even in the succeeding years, untill such date when the interest dues as above are actually paid to the small enterprises for the purpose of disallowance as a deductible expenditure under section 23 of the MSEMD Act, 2006

INTERNATIONAL TOBACCO COMPANY LIMITED**Notes to the financial statements for the year ended March 31, 2022**

(All amounts are in Rs. lakhs unless otherwise stated)

31. Employee benefit plans**(a) Defined contribution plans and amounts recognised in the statement of profit and loss**

	Year ended 31.03.2022	Year ended 31.03.2021
Contribution towards provident fund	116.09	121.57
Contribution towards superannuation fund	20.81	19.03
	136.90	140.60

(b) Other long term employee benefits (based on actuarial valuation)

	Year ended 31.03.2022	Year ended 31.03.2021
Compensated absences – amount recognized in the statement of profit and loss	39.46	64.40

(c) Defined benefit plans**Gratuity**

The Company makes annual contributions to gratuity fund established as a trust, which is a defined benefit gratuity plan. Every employee who has completed five years or more of service gets a gratuity as per provisions of the payment of Gratuity Act or the Company Scheme, whichever is beneficial.

The plan typically exposes the Company to actuarial risks such as: loss of investment risk, interest rate risk, mortality rate risk and salary rate risk.

Loss of investment risk

The probability or likelihood of occurrence of losses relative to the expected return on any particular investment.

Interest rate risk

The plan exposes the Company to the risk of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the plan's liability.

Mortality rate risk

The present value of defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary rate risk

The present value of the defined benefit plan is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.

The following tables summarise the components of net benefit expense recognised in the statement of profit or loss and the funded status and amounts recognised in the balance sheet for defined benefit plan:

Net employee benefit expense recognized in employee cost:

	Year ended 31.03.2022	Year ended 31.03.2021
Current service cost	52.97	56.88
Net interest cost	(4.59)	(2.09)
	48.38	54.79
Excess/(shortfall) of fair value over book value of plan assets	-	(12.73)
Net employee benefit expense recognized in employee cost	48.38	42.06

INTERNATIONAL TOBACCO COMPANY LIMITED

Notes to the financial statements for the year ended March 31, 2022

(All amounts are in Rs. lakhs unless otherwise stated)

(c) Defined benefit plans - Gratuity (continued)

Amount recognised in other comprehensive income:

	Year ended 31.03.2022	Year ended 31.03.2021
Actuarial (gain)/loss on obligations arising from change in financial assumptions	-	(38.15)
Actuarial (gain)/loss on obligations arising on account of experience adjustments	(9.62)	(7.80)
Actuarial (gain)/loss on obligations arising from changes in demographic assumptions	-	21.63
Return on plan assets (excluding amounts included in net interest expense)	(2.73)	(20.63)
Adjustment to recognize the effect of asset ceiling	-	-
Net (income)/expense for the year recognized in other comprehensive income	(12.35)	(44.95)

(I) Changes in the present value of the defined benefit obligation are as follows:

	As at 31.03.2022	As at 31.03.2021
Opening defined obligation	1,244.02	1,292.93
Current service cost	52.97	56.88
Interest cost	72.73	68.95
Benefits paid	(247.41)	(150.42)
Actuarial loss/(gain) on obligations arising from change in financial assumptions	-	(38.15)
Actuarial loss/(gain) on obligations arising from change in demographic assumptions	-	21.63
Actuarial loss/(gain) on obligations arising on account of experience adjustments	(9.62)	(7.80)
Defined benefit obligation	1,112.69	1,244.02

(II) Changes in the fair value of plan assets are as follows:

	As at 31.03.2022	As at 31.03.2021
Opening fair value of plan assets	1,286.45	1,301.05
Interest income	77.32	71.03
Return on plan assets (excluding amounts included in net interest expense)	2.73	20.63
Contribution by employer	19.01	44.16
Benefits paid	(247.41)	(150.42)
Closing fair value of plan assets	1,138.10	1,286.45
(III) Net (asset)/liability recognised in the balance sheet (I - II)	(25.41)	(42.43)

The major categories of plan assets of the fair value of the total plan assets are as follows:

	Amount	% of total plan assets
As at March 31, 2022		
Government debt securities	71.57	6.29%
Other debt instruments	10.33	0.91%
Insurer managed funds	1,026.21	90.17%
Others	29.99	2.64%
	1,138.10	100.00%

INTERNATIONAL TOBACCO COMPANY LIMITED

Notes to the financial statements for the year ended March 31, 2022

(All amounts are in Rs. lakhs unless otherwise stated)

(c) Defined benefit plans - Gratuity (continued)

	Amount	% of total plan assets
As at March 31, 2021		
Government debt securities	71.57	5.56%
Other debt instruments	10.33	0.80%
Insurer managed funds	1,201.70	93.41%
Others	2.85	0.22%
	1,286.45	100.00%

The principal assumptions used in determining gratuity obligation for the Company's plans are shown below:

	As at 31.03.2022	As at 31.03.2021
Discount rate (in %)	6.80%	6.80%
Salary escalation rate (in %)	7.50%	7.50%
Expected rate of return on plan assets	7.50%	7.50%
Expected average remaining working lives of employees	12.69 years	9.91 years

A quantitative sensitivity analysis for significant assumption is as shown below:

Assumption	Impact on defined benefit obligation	
	As at 31.03.2022	As at 31.03.2021
Impact of increase in 0.5% in discount rate	-3.38%	-2.88%
Impact of decrease in 0.5% in discount rate	3.61%	3.07%
Impact of increase in 0.5% in salary escalation rate	3.57%	3.03%
Impact of decrease in 0.5% in salary escalation rate	-3.38%	-2.87%

The sensitivity analyses above have been determined based on a method that extrapolates the impact on defined benefit obligation as a result of reasonable changes in key assumptions occurring at the end of the reporting period.

The following payments are expected as contributions to the defined benefit plan in future years:

	Year ended 31.03.2022	Year ended 31.03.2021
Within the next 12 months (next annual reporting period)	257.80	348.92
Between 2 and 5 years	308.06	474.72
Between 6 and 9 years	326.35	249.89
10 year and above	1,055.84	1,017.02
Total expected payments	1,948.05	2,090.55

The weighted average duration of the defined benefit plan obligation at the end of the reporting period is 6.99 years.

INTERNATIONAL TOBACCO COMPANY LIMITED

Notes to the financial statements for the year ended March 31, 2022

(All amounts are in Rs. lakhs unless otherwise stated)

32. Financial instruments and risk management

32.1 Fair values

The fair value of financial assets and liabilities are included at the amount at which the instruments could be exchanged in as current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

i) The fair value of cash and cash equivalents, trade receivables, trade payables, security deposits and other financial liabilities approximate their carrying amounts largely due to their nature and short-term maturities of these instruments.

ii) The financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for the expected losses of these receivables, if any.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by using valuation techniques that are appropriate in the circumstances and for which sufficient data are available.

Level 1: This level of hierarchy includes financial assets that are measured by reference to quoted prices in the active market.

Level 2: This level of hierarchy includes items measured using inputs other than quoted prices included within Level 1 that are observable for such items, either directly or indirectly.

Level 3: This level of hierarchy includes items measured using inputs that are not based on observable market data (unobservable inputs). Fair value determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instruments nor based on available market data. The item in this category are unquoted equity instruments.

INTERNATIONAL TOBACCO COMPANY LIMITED**Notes to the financial statements for the year ended March 31, 2022**

(All amounts are in Rs. lakhs unless otherwise stated)

32 Financial instruments and risk management (continued)**32.2. Fair value hierarchy**

The following table provides an analysis of financial instruments that are measured at fair value and have been grouped into Level 1, Level 2 and Level 3 below:

As at March 31, 2022	Carrying amount	Fair Value	Level 1	Level 2	Level 3
Financial assets					
Financial instruments at amortised cost:					
Cash and cash equivalents	159.83	159.83			
Loans	58.64	58.64			
Trade receivables	1,066.26	1,066.26			
Other financial assets					
- Security deposits	151.21	151.21			
- Interest accrued on security deposits	19.61	19.61			
Financial instruments at FVTOCI:					
Investment in equity instruments designated upon initial recognition	179.11	179.11	-	-	179.11
Total financial assets	1,634.66	1,634.66	-	-	179.11
Financial liabilities					
Financial instruments at amortised cost:					
Trade payables	337.08	337.08			
Other financial liabilities					
- Security deposits	0.85	0.85			
- Payables for property, plant and equipment	74.22	74.22			
Total financial liabilities	412.15	412.15	-	-	-

INTERNATIONAL TOBACCO COMPANY LIMITED**Notes to the financial statements for the year ended March 31, 2022**

(All amounts are in Rs. lakhs unless otherwise stated)

32.2. Fair value hierarchy (continued)

As at March 31, 2021	Carrying amount	Fair Value	Level 1	Level 2	Level 3
Financial assets					
Financial instruments at amortised cost:					
Cash and cash equivalents	196.82	196.82			
Loans	36.58	36.58			
Trade receivables	1,220.73	1,220.73			
Other financial assets					
- Security deposits	151.23	151.23			
- Interest accrued on security deposits	13.60	13.60			
Financial instruments at FVTOCI:					
Investment in equity instruments designated upon initial recognition	176.52	176.52	-	-	176.52
Total financial assets	1,795.48	1,795.48	-	-	176.52
Financial liabilities					
Financial instruments at amortised cost:					
Trade payables	473.23	473.23			
Other financial liabilities

- Payables for property, plant and equipment	117.21	117.21			
Total financial liabilities	591.19	591.19			

INTERNATIONAL TOBACCO COMPANY LIMITED

Notes to the financial statements for the year ended March 31, 2022

(All amounts are in Rs. lakhs unless otherwise stated)

32.3 Financial risk management objectives and policies

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by Senior Management.

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency payables and loans.

The Company manages market risk through its finance department, which evaluates and exercises independent control over the entire process of market risk management. The finance department recommends risk management objectives and policies, which are approved by Senior Management. The activities of this department include management of cash resources and ensuring compliance with market risk limits and policies.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest in order to optimize the Company's position with regard to interest income and interest expenses and to manage the interest rate risk, the finance department undertakes the interest rate risk management exercise from time to time.

The Company is not exposed to significant interest rate risk as at the respective reporting dates.

Foreign currency risk

The Company operates internationally and portion of the business is transacted in several currencies and consequently the Company is exposed to foreign exchange risk through its sales and services in overseas and purchases from suppliers in various foreign currencies.

The Company evaluates exchange rate exposure arising from foreign currency transactions and the Company follows established risk management policies, including the use of derivatives like foreign exchange forward contracts to hedge exposure to foreign currency risk.

Credit risk

Credit risk arises from the possibility that counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of trade receivables.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in the financial statement.

Financial assets are written off when there is no reasonable expectation of recovery, such as a debtor failing to engage in a repayment plan with the Company. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in profit or loss. The management believes that there are no significant exposure of credit risk due to the nature of company's business

Liquidity risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligation on time or at a reasonable price. The Company's finance department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by Senior Management. Management monitors the Company's net liquidity position through rolling forecasts on the basis of expected cash flows.

INTERNATIONAL TOBACCO COMPANY LIMITED

Notes to the financial statements for the year ended March 31, 2022

(All amounts are in Rs. lakhs unless otherwise stated)

32.3 Financial risk management objectives and policies (continued)

(A) Maturities of financial liabilities

The tables below analyse the Company's financial liabilities into relevant maturity groupings based on their contractual maturities for all financial liabilities. The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

Contractual maturities of financial liabilities	Less than 1 Year	More than 1 Year	Total
As at March 31, 2022			
Trade payables	337.08	-	337.08
Other financial liabilities	75.07	-	75.07
	412.15	-	412.15
As at March 31, 2021			
Trade payables	473.23	-	473.23
Other financial liabilities	117.96	-	117.96
	591.19	-	591.19

32.3 Financial risk management objectives and policies (continued)

(B) Foreign currency risk exposure

The carrying amounts of the Company's foreign currency denominated monetary assets and liabilities at the end of the reporting periods expressed in Rs. in lakhs, are as follows:

Currency exposure	EURO	GBP
As at March 31, 2022		
<u>Financial Liabilities</u>		
Trade payables (Rs.in lakhs)	14.98	7.80
Net exposure to foreign currency risk (liabilities)	14.98	7.80
As at March 31, 2021		
<u>Financial Liabilities</u>		
Trade payables (Rs.in lakhs)	22.04	2.49
Net exposure to foreign currency risk (liabilities)	22.04	2.49

INTERNATIONAL TOBACCO COMPANY LIMITED**Notes to the financial statements for the year ended March 31, 2022**

(All amounts are in Rs. lakhs unless otherwise stated)

32.3 Financial risk management objectives and policies (continued)**(C) Foreign currency exposures that are not hedged by derivative instruments or otherwise are as follows:**

Particulars	Currency	As at 31.03.2022		As at 31.03.2021	
		Amount in foreign currency (in lakhs)	Amount in Rs. (in lakhs)	Amount in foreign currency (in lakhs)	Amount in Rs. (in lakhs)
Trade Payables	EURO	0.17	14.98	0.25	22.04
	GBP	0.08	7.80	0.02	2.49

Foreign currency sensitivity analysis

The Company exposure to foreign currency changes for above currencies is not

INTERNATIONAL TOBACCO COMPANY LIMITED**Notes to the financial statements for the year ended March 31, 2022**

(All amounts are in Rs. lakhs unless otherwise stated)

32.4 Fair value measurements**32.4.1 Fair value measurement and description of valuation techniques and significant unobservable inputs used in fair value measurement**

The fair value of investment in unquoted equity instruments have been estimated using a market approach wherein equity value per share has been determined using the market approach. Under this approach the management has considered fair value of assets and liabilities of the investee company. For computing the fair value of the land (being major asset) management has made certain assumptions about the following significant unobservable inputs:

Financial asset	Fair value as at (Rs. lakhs)		Fair value hierarchy	Valuation technique	Significant unobservable inputs	Input value
	31.03.2022	31.03.2021				
Investment in equity instruments at FVTOCI (unquoted) (Refer Note no. 7)	179.11	176.52	Level 3	Market approach	Built up area (in sq. ft.)	March 31, 2022 - 23,567 March 31, 2021 - 23,567
					Residential rate for sales (Rs./sq. ft.)	March 31, 2022 - 14,500 March 31, 2021 - 13,500
					Payment towards purchase of FSI from MCGM (Rs./sq. ft.)	March 31, 2022 - 4,360 March 31, 2021 - 3,052
					Payment towards purchase of Fungible FSI from MCGM (Rs./sq. ft.)	March 31, 2022 - 4,360 March 31, 2021 - 3,052
					Cost of construction (Rs./sq. ft.)	March 31, 2022 - 2,500 March 31, 2021 - 2,500
					Interest rate (% per annum)	March 31, 2022 - 18 March 31, 2021 - 18

The above investment in equity instruments is not held for trading. Instead, it is held for medium or long term strategic purpose. Upon the application of Ind AS 109, the Company has chosen to designate the investment in equity instruments as at FVTOCI as the directors believe that this provides a more meaningful presentation for medium or long term strategic investment, than reflecting changes in fair value immediately in profit or loss.

33. Capital management

For the purposes of the Company's capital management, capital includes issued capital and all other equity reserves. The primary objective of the Company's Capital Management is to maximise shareholder value. The Company manages its capital structure and makes adjustments in the light of changes in economic environment and the requirements of the financial covenants.

The Company monitors capital using gearing ratio, which is total debt divided by total capital plus debt.

Gearing ratio

	As at 31.03.2022	As at 31.03.2021
Trade payables	337.08	473.23

(All amounts are in Rs. lakhs unless otherwise stated)

35. Ratio Analysis

Ratio	Numerator	Denominator	As at 31.03.2022	As at 31.03.2021	% Change	Reason for Variance
a) Current ratio	Current assets	Current liabilities	3.52	2.74	28.47	Increase in ratio is due to decrease in current liabilities mainly on account of trade payable and capital creditors.
b) Return on equity ratio	Total comprehensive income	Average Total Equity	2.96	5.01	(40.92)	Decrease is mainly on account of lower total comprehensive income due to lower manufacturing fees on account of lower production volume
c) Trade receivables turnover ratio	Turnover	Average trade receivable	4.99	7.26	(31.27)	Decrease is due to increase in average trade receivable on account of receivables for services rendered to holding company
d) Debt equity ratio	Total external liabilities	Total equity	0.19	0.24	(20.34)	
e) Net capital turnover ratio	Operating revenue	Shareholder's equity	1.08	1.15	(6.48)	
f) Net profit ratio	Total comprehensive income	Operating revenue	2.71	4.24	(36.08)	Decrease is mainly due to higher proportionate decrease in total comprehensive income as compared to decrease in operating revenue on account of lower manufacturing fees on lower production volumes
g) Return on capital employed	Profit before tax	Average capital employed	2.55	5.37	(52.51)	Decrease is mainly on account of lower profit before tax due to lower manufacturing fees on account of lower production volume

INTERNATIONAL TOBACCO COMPANY LIMITED
